Subject: Discontinuation of Glass 20/30 Dielectric Capacitor Styles Only

Dear AVX Glass Capacitor Customer:

Due to limited market demand and depletion of raw material stocks for the 20/30 Dielectric Capacitors, AVX is announcing their discontinuation. We will continue to support all of the other styles of Glass Capacitors, which we offer. The only styles that will be discontinued are listed below.

CY20 & CY30  
CYFR20 & CYFR30  
CYR20 & CYR30  
ET20, ET30  
ETR20, ETR30  
M11272/03 & M11272/04  
M23269/03 & M23269/04

AVX will fulfill any existing purchase orders, and will continue to accept orders for product to be delivered through December 30, 2004. During that time AVX will continue to perform the tests and inspections required to maintain conformance to the MIL-C-11272 and MIL-PRF-23269.

Last Order Date: December 29, 2004

Last Shipment Date: February 27, 2005

We at AVX apologize for any inconvenience to your company.

Sincerely,

AVX Marketing
